

ARCHWIRES

S3™

STAINLESS STEEL

Precision engineered and manufactured
by G&H® in the U.S.A.

G&H QUALITY MEANS:

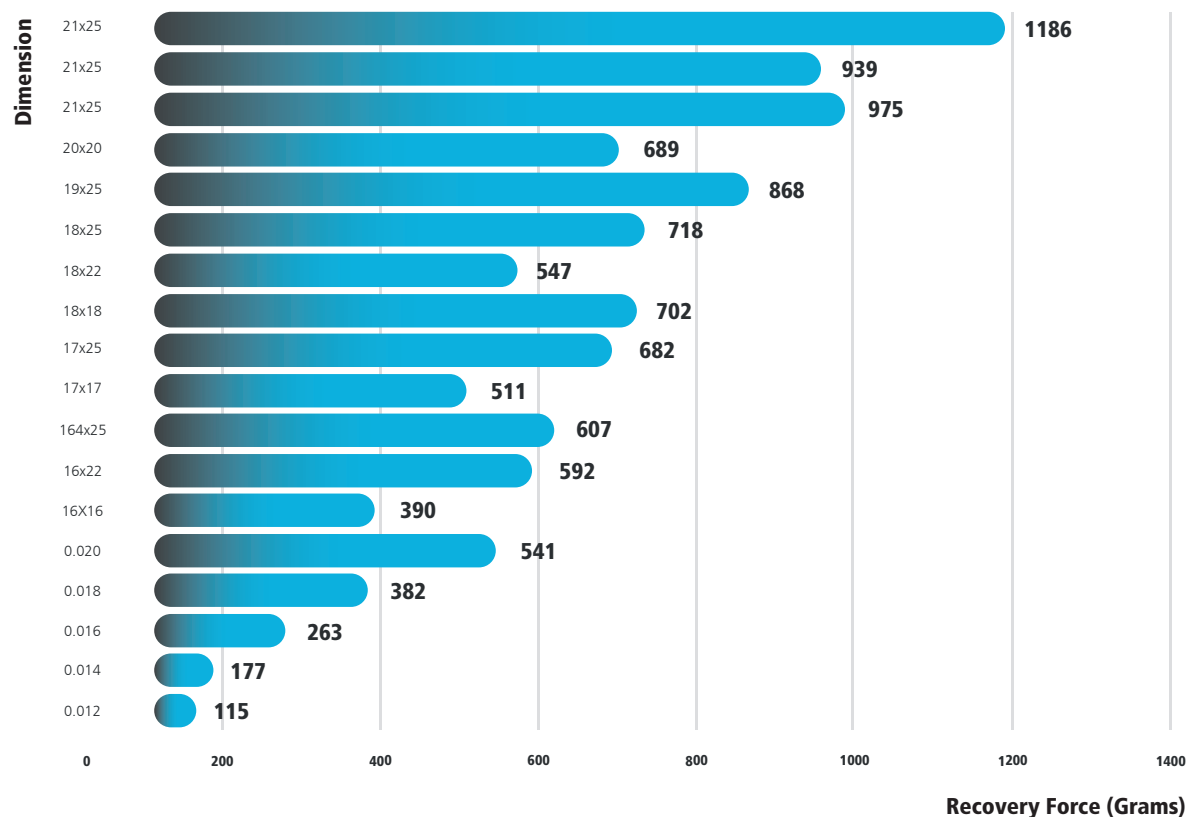

- Unmatched strength: delivers the robust forces necessary for effective anchorage, retraction, and finishing phases.
- Offer the durability and flexibility needed when adjusting wires during the finishing phase.
- 304v medical grade stainless steel wire
- State-of-the-art forming processes ensure precise archforms
